News

SCG Wildflower meeting.

We met and agreed to move forward with three trial wildflower planting sites in Selsley. We plan to work on verges along the B4066, one at each end of the village and one in the middle. We are in the process of applying for a licence from Gloucestershire Highways to work on the verges, and hope to be in a position to sow wild flower seed later in the autumn. More news and dates

We are looking for volunteers, if you can help please contact selsleycommunitygroup@gmail.com
